## Missionaries to New Zealand

Dear Praying Friends, January 2020

This new year has already started with its first month flying by. We hope each of you had a blessed Christmas and New Year. Thank you for those who sent cards and extra love offerings. Each extension of love was felt, and we praise the Lord for how He provides.

Our church family here gathered together to share the message of Christmas by going caroling downtown this year. We spent about an hour singing and passing out tracts. We handed out about 300! Please pray for the lost in NZ. So many refused a tract; may their hearts be softened to God's gift of salvation.

Early this month, we enjoyed family camp. It was a wonderful time of encouragement and refreshment in God's Word. Antony, a young man Craig has been discipling, spoke at the New Year's Eve service. What a blessing! Please pray for him as he seeks God's will for his life. Caitlin, the young lady who traveled with us some on furlough, finished her first year of Bible institute. She is signed up for next year as well. Please pray for her to be able to get a job so that she can earn enough money to be able to attend.

We have had several special services over the last two months. We had a sing-spiration, as well as a fellowship mid-week service. Both of these were well attended, and we praise the Lord for His work! Two weeks ago, we had over 60 in attendance for morning service. It was tightly packed. A junior church for 7 and under has been started to try and stretch

out the chairs we have access to. Please pray for a larger meeting place for us. Please pray for Regan's family to be saved; she is being a faithful witness to them.

In addition to a normal service schedule there has been a men's fellowship, as well as children's activity. The kid's activity was a scavenger hunt in a local park. Craig shared a message on how God reached out to us to find the lost and explained who is lost. We are praying for fruit from this.

Previously, we mentioned purchasing a house as a prayer request. God is working out the details, and we should be home owners on Valentines Day! We are excited and praising the Lord for His provision!

Family Time: LeAnna celebrated her 38th birthday right after Christmas. We have been keeping busy with Bible studies, letterboxing (tracts in mailboxes - it is legal here), rest home services, kids' and men's activity, packing and getting ready to start school back. Term 1 starts next week! We have had a great summer break. If things weren't busy enough, we also were able to pick out a puppy, naming her Violet, which will come to be with us after we move.
