Missionaries to New Zealand

Dear Praying Friends, November 2020

We are now into our final month of spring. We again were startled to realize that October was passed and we are now into November. We need to update you!

Youth Camp this year was such a blessing. All Covid restrictions were finally gone, and we were able to have a great camp. One of the biggest rejoicings was that Shailyn (pictured in bottom group photo, far left) accepted Christ as her Saviour! God used a message that Pastor Piper preached the Sunday before camp, then LeAnna talked with her and challenged her about knowing about her eternal home, and then Caitlin met her outside their cabins right after she had prayed and was able to give her verses of assurance. It was amazing to see God's hand at work. Please pray for her as she grows in her faith. Both Jared and Rebekah were campers, as well, and greatly enjoyed this time with friends.

The weekend after camp finished, we were able to celebrate our first wedding as a church, and Pastor Piper was able to perform the wedding for Tim & Hannah Turner. The church really rallied behind them and helped with food prep and clean up. It was great to see this unity.

The weekend after the wedding found us celebrating our son's entrance to his teenage years. It is hard to believe that Jared is now 13 and we have two teenagers! Please pray for our children as they grow in their walk with God and help serve in the ministry God has given to us.

In addition to these exciting events, we

have been able to continue with rest home services, men's Bible studies, and other outreaches. LeAnna reaches out to several ladies during each week trying to encourage them, we hosted another teen board game activity, and Craig and Antony were able to travel about two hours away to Whanganui to help cover for the pastor there.

This past week, Craig, Jared and Antony went up to Men's Retreat in Whangarei (north of Auckland) and also Craig had two preaching opportunities at a family camp being held by an Auckland church while they were there. It is always a blessing to see others that are striving to serve the Lord. We also praise God for safety in their travels as our main road crosses through two separate, very curvy, mountain ranges.

Please pray for us as the Pipers have taken a quick trip to the States in order to see a new grandchild and visit a sibling in poor health. They will only be away a short while but will have to quarantine for two weeks when they return as all overseas visitors are being required to do.

Please pray for Antony, as he is seriously considering joining the Bible institute. He has a very good job, so this is not something to lightly decide. Please also pray for Caitlin; she needs much prayer as she has some major life decisions she is facing. Pray for us as we counsel our youth and church as a whole.
