

The Comstock Connection

Missionaries to New Zealand

Dear Praying Friends, December 2020

This last month of the year has truly flown by for us. Thank you to each of you that have sent us Christmas gifts and cards. The Pipers have returned from a necessary family trip to the States but are now under quarantine until early next week if they test negative for two separate Covid tests. Please pray for them during this time. We miss them and our church does as well.

Craig has continued to do weekly Bible study with Antony. Please pray for this young man as he has many decisions to make that are weighing heavily on him.

We have had several with health needs during this whole year, and this month has been no different. In addition to other counseling, we have been trying to reach out to those who are ill, as well as help those with mental and spiritual issues as well.

On December 20, we had a lovely Christmas service, and the youth and kids sang special music. We had two visitors attend, which was a blessing. After Christmas, we will be going up to Hamilton for Family Camp for the week. We are thankful for this time to see other churches that are trying to do right here in NZ. There was recently a huge "church" meeting held in a stadium here in our city. Afterwards, we had many questions as to why our church didn't attend. It was a great opportunity to share why we are independent from any association and also share the truths that the Bible teaches of Jesus being the only way to salvation. Satan has blinded the eyes of so many with forms of religion.

On the family front, we have finished school for the year. Rebekah finished 8th grade, Jared finished 6th and Kalyssa is in 3rd. Rebekah and Jared had a piano recital they participated in. Rebekah is accompanying the hymns at church beautifully, which is a huge blessing. We are thankful for our children's part in our lives and the ministry here in New Zealand.

We have been needing to replace the rain water tank on our property since it is cracked and worn out. So it needed to be replaced. It is our only source of water, and summertime brings the dry season. We cannot have a well on our property, so the only way to have water is collect the rain. We ordered the new tanks after we got the finances around only to find out that they wouldn't arrive until February, which is the last month of summer here. We left that in the Lord's hands and knew we would just have to be very careful with water. Just a couple weeks ago though, we got a call saying they would be delivered within two weeks! What a praise and answer to prayer! It has been a crazy and busy last couple of weeks as we prepared for their arrival, but our church family and their friends have been a huge help with getting the two 30,000-liter tanks in place and installed.

Please remember that if anyone would like to find us on Facebook, our public ministry page is **Comstock 2 NZ**.

Serving the Lord in New Zealand,
Craig & LeAnna Comstock
Rebekah, Jared & Kalyssa

Georgia, one of our new high school graduates, hanging out with Kalyssa, Maddison and Isaiah after a Wednesday night Bible study/prayer meeting at our home.

Special music for Christmas Sunday by our young adults

Craig with our new tanks before they were tipped onto the grass.

Nov. & Dec. bdays are: Craig, Kalyssa and LeAnna

Praying Request:

1. Christmas Outreach and events
2. Heritage Family Camp upcoming after Christmas
3. The Pipers' quarantine currently & their healthy release
4. Young Adults - many of our young adults have many decisions regarding their future direction

Our Address: 47 KAIPAKOPAKO Road, RD 3, New Plymouth 4373, NEW ZEALAND
