The Value of One  
August-October 2019

Dear Friends and Family,

August was such an amazing month as I was able to have my mom and my aunt come visit me. It was the first time either of them had ever come to Scotland and we all enjoyed the visit which ended way too soon!

October has been a very busy month as usual. We held our annual 'lock in' sleep over. The boys went over to the Shek's house and the girls came to my place. It was definitely more comfortable than staying at the church all night. We also had two visitors from Arkansa, Nicole and Madison. They were such a great help to us in the sleep over and our Holiday Bible Club. If you would like to experience a way to help your missionaries, that is a great place to start.

Holiday Bible Club this year was 'Arrow Island.' They learned about putting God first, choosing good friends, being kind and forgiving, and standing for God. Praise the Lord one young boy named Ethan accepted Christ as his Saviour during that week. Please pray that he will make a commitment to come to church regularly and be open to baptism as well. Pray for the others that attended as well. I had some who admitted they weren't saved but just aren't ready to make that step yet.

Thank you for your continued prayers for my health. Please continue to pray that my doctor here will continue to do whatever needs done to get to the bottom of it.

Lord willing I am planning on being in the states for a furlough from November 2020-May 2021. If you would like me to schedule a time to come to your church please let me know.

In His Service,

Deana Hewston
