

New Normal

July-September 2020

Dear Friends and Family,

Praise the Lord in mid-July we were able to start attending church again in person. The government here has not put any social distancing restrictions on children 11 and under so we are free to have kids' class again. I wasn't sure what to expect attendance wise but so far, Thursday night kids club has actually seen an increase in numbers and visitors! We are definitely not out of restrictions here in Scotland but we can move about more freely than before.

At the end of August I was able to turn in my application for permanent residency. Please pray that this will go through quickly. Once I receive my permanent residency, I will be free to go back to the states for a furlough. I have had an increase in physical pain issues in the last few months. I am praying I will be able to take care of that while in the states. I am looking forward to coming and sharing with you all what God is doing here in Perth.

Please continue in prayer for the Brinkley family. They have had so many physical trials recently. Dylan is still getting dialysis but there are volunteer donors going through testing right now. Lord willing maybe there will be a match soon! Thank you again for all your prayers and support.

In His Service,

Deana Hewston
