Dear Pastor, Church Family, and Friends,

We are having a great first year at Bay Baptist Academy. Praise the Lord we had another student accept Christ as his personal Savior. The spirit of the school continues to be an atmosphere of joy in serving the Lord. As our school year comes to a close on December 2nd I would like to ask you to pray about an investment your church can make. You as a church will receive a return on this investment for years to come. Bay Baptist Academy has just purchased some property across the street from our primary school building. This property will be the high school building. It is often said that nationals will reach their country for Christ quicker than the missionary. This being said, what better way to help a missionary than by putting money toward the purchase of a school building that will be reaching and training national children from the time they are 5 to 18 years old. When these children graduate they will already be equipped for the ministry. The school has \$39,000 left to pay on the loan. Please pray about being a part of this endeavor. If you are unable to give, pray that the Lord will bring the rest of the finances needed.

This past month the teen girls were able to gather at my house for food and fellowship. Our devotion was on thankfulness. Our monthly youth meeting with the church plants continue to go well. The father of two children, Babalo (boy) and Qamani (girl), who attend Bayland Baptist Church, died this past Sunday. Pray for the family. Pray for our youth camps that will be starting the first week in December.

Thank you for your faithful prayers and support.

In His Service,

Michelle Geiger
