

BRENT GELLOS

evangelist

June 2019

Hello from Ramey, Pennsylvania! We want to share a quick update to let you know what has been happening in our lives and ministry this past spring and early summer.

God gave Brent a successful and fruitful trip to the Philippines and Vietnam, back in April. There were many who trusted Christ. We praise the Lord! Following the overseas trip, we had an encouraging time of revival in Aberdeen, SD with Pastor Hannahs. God worked through His Word to encourage and convict, and we enjoyed having Kaity's sister, Molly, travel with us to this meeting. She was a blessing in helping our family, as well as teaching a children's class during revival.

We then traveled back home to wait for baby, and a little over 6 weeks ago, we were blessed with the safe birth of Amanda Joy Gellos. We love having a tiny baby in our home again, and are adjusting to all the changes a new family member brings. Thank you to all who prayed for Kaity and baby during the months of pregnancy.

Last week, Brent preached at Servant's Heart Camp in Pennsylvania, for a teen week. He commented on how good the spirit of the services was. Young people were attentive and receptive to truth. After he preached the final service on Saturday morning, he drove all the way back to Indiana to pick up the family before coming BACK to camp. Seems silly, you may think, but the reason for the extra miles was to enable the children and I to spend time with my 94 year old Grandma, who was visiting for a week. God gave us a good week with her, precious and unforgettable conversation, and memories to treasure.

So... this week we are back at Servant's Heart, happy to be together again, and enjoying the energetic junior campers. Our two oldest girls, Emily (9) and Abigail (8) are campers for the first time, and loving it! We are praying for young people to be saved, and asking for prayer for a few young people in particular who are struggling. Some of these kids have been through tough experiences. Some of them are still living with tough circumstances. Pray with us these next two days. Pray that God would give us wisdom and grace, as we come alongside the camp staff to encourage and point these children to Jesus Christ.

After this week, we will be spending a week with family in Georgia and Florida. Then it's home to Indiana for a few days before Brent heads to Nebraska and South Dakota for more ministry. We ask prayer for safe travels, the Lord's guidance as we raise our family, and God's power as His Word goes forth. We need HIM!

Thank you for your part in the ministry! Your prayers make a difference that impact eternity.

**God bless,
Brent & Kaity Gellos**
