

BRENT GELLOS

evangelist

March 2021

Dear Friends,

Much has been happening in our family/ministry, these past couple months. The year began with a mixture of joy and sorrow. We welcomed our 6th child, Joel Alan, into the world on January 4th. We are thankful for the safe delivery and healthy baby boy. He has added such a joy to our family, and we are grateful to God for the gift of new life. There is nothing quite like a new baby in the home.

On January 13th, we said goodbye to Brent's mom, Jill Gellos. It was an unexpected homegoing, so it was tough on the whole family. Though grieving for our loss, we were also given incredible peace, knowing she went straight from this temporary home to her forever Home!

In February, we had the privilege to preach at a couple of churches, as well as fill in at our home church. God has allowed us to partner with Calvary Baptist Church in Elkhart, IN for several special events and services this year. Pray for us in this opportunity, will you? We are anticipating God using His Word, and praying for souls for the harvest.

This month has held some travel, as Brent spoke at a young adult retreat at the Edge Christian Camp in Spring Grove, VA. We are grateful for young people who desire to grow closer to Christ, and follow His Word. We pray for them to make a difference, and to boldly share the truth of the gospel.

We are rejoicing and praising the Lord for three salvation decisions in revival meetings this last week, here in Virginia Beach! We are grateful for the church family at Filipino Independent Baptist Church who made the effort to invite friends & family to the services.

It was a special joy to host a 2-day Good News Hoops tournament, partnering with a couple local churches in Virginia Beach. We are thankful for the ability to share Christ, using the tool of basketball to draw people together. At least 1 person trusted Christ as their Savior!

We had hoped to take Good News Hoops overseas this year, but due to covid-related travel restrictions, that will not be possible. The Lord has opened up a few other doors for this spring.

We are looking ahead to a good year, despite the changes we see happening in our country. Jesus is still King. The gospel is the still "the power of God unto salvation to every one that believeth..." (Romans 1:16)

Thank you for praying with and for our family. Keep trusting and serving, so much the more as we see the day approaching.

In Christ,
Brent and Kaity Gellos and family
