Dear Praying Friends,

January 2023

Thank you for praying for us as we travel and share Christ! The end of 2022 was filled with God's blessing as we saw Him work in His churches across the country. We are grateful for the Lord's protection over all the miles on the road.

Over the fall, we had the privilege to minister at churches in Virginia, Florida, Tennessee, South Dakota, Wyoming, Texas, Indiana, Kansas, Iowa, and Indiana (again). There were several saved – praise the Lord! Many others chose to follow Christ in specific areas. We pray the truth of God's Word continues with the believers who made decisions.

A couple of requests we would like you to pray about as we begin this new year:

Next week (January 9-13), Brent is speaking at Pensacola Christian Academy for their back-to-school revival. He will have the opportunity to preach several times to @400 teens. Please pray for salvations and life-changing decisions to be made!

We are working on organizing Good News Hoops basketball missions teams to minister in the Philippines this spring. This is the first time in 3 years the country is open for this type of ministry. Pray for the planning and travel to go smoothly, and for God's clear direction as Brent puts these trips together. We are already praying for a harvest of souls during the trip(s).

Pray for God's provision, guidance, and wisdom as we work on organizing our travel schedule. We are excited about the ministry opportunities (and challenges) that God is directing us to this year.

As always, we appreciate each of you who partner with us in prayer for the sake of the gospel! What a good God we serve.

Love in Christ,  
Brent & Kaity Gellos and family
