

Summer
June-July 2023

Dear Friends and Family,

I wanted to let you know how God is working here this summer. The young lady I mentioned in my last letter, Tiffany, brought a friend of hers to church named Katia. After class, Katia came up to me and said she wanted to be saved. I had the privilege to lead her to Christ and its all because of Tiffany's witness! I have also been able to change from teaching the children over to teaching the teen girls Sunday School class. I am looking forward to the change in pace and a new group to work with.

We spent the beginning of the summer getting ready for our annual Neighbourhood Bible Time. From putting out flyers, to prepping name tags, to teacher training it was exciting to build up to that special week. With this NBT being our second one, we thought we knew what to expect but God, His ways aren't ours! Every single day saw an increase in children. I co taught the 4-7 year olds and by the last day we had 54 just in our class! God brought in over 100 kids basically every day and that included the teens as well. He also worked in 23 kid's life to bring them to a saving knowledge of Him. God again gave me the privilege to personally lead 4 children to Him during that week. We were also blessed to have Sara Dick and Kirsten Webster, both from the states to help us during that week. Please pray as we now follow up on all those who visited. We are praying the Lord will bring them to church faithfully and those who aren't saved will make that decision for themselves. Thank you again for all your prayers and support!
