

BCPM

HELPING CHURCHES REPRODUCE CHURCHES

February 2020

The Lord has given BCPM a great start to the new year. In January, we held our annual board meeting at South Haven Baptist Church in Springfield, TN. I am thankful for the godly pastors that help take the oversight of the ministry, and a special thank you goes to Pastor Frank Gagliano for hosting this meeting.

Please be in prayer as we make preparations for several new church plants. These new works will take place in East Cleveland, OH; Welch, WV; Gallatin, TN; Oregon; Butte, MT; and Big Bear, CA. We will keep you updated on the progress.

Starting in March, BCPM will be taking up a special "Spring Seed Bank Offering" to help with the costs of each church plant. BCPM invests over \$4500 in each new project, and we simply cannot do this without special offerings. Here are the specifics in how you can participate:

- Toward the end of February, BCPM will send a link to the Spring Seed Bank promo video that will briefly explain the need for the offering.
- We are asking that the video be shown and a special offering be taken up. This can be during a church service, special meeting, or any way God leads.
- Our goal is to raise at least \$20,000 to help offset the costs.

Please pray about participating in this much-needed offering.

The need to plant churches has never been greater, and the new churches are caring the Light of Jesus Christ into dark and needy areas all over the world. Thank you for partnering with BCPM as we help advance these new works.

Advancing in Christ,

Jeremy Rowland,
General Director
