

October 2021

BCPM was involved with two church plants in the last five weeks. The first was in Dearborn, MI, with a population of over 100,000 and is the Islamic capital of the US. Dozens of local churches helped evangelize the area and traveled over to assist with the opening meetings. God blessed with seventy on their first Sunday and with numerous contacts to follow up on. The second church plant was in Garland, TX, just east of the Dallas-Fort Worth metroplex area. With over 220,000 people, Garland is a growing and needy place for a new church. The Lord blessed the opening meetings with seventy-four in attendance on their first Sunday. Pray for these two church plants and that the Lord would strengthen these young works.

Pray for the next church plant in Eastern Shore, AL. The reproducing church is Lighthouse Baptist in Theodore, AL, with Pastor Randy Tewell, and the new church is Lighthouse Baptist with Pastor Andrew Tewell. Over 20,000 John and Romans and invites have saturated the area. Pray for their first Sunday on October 17 and that God would bless in a mighty way.
